PARTIES FOR LAND-LOVERS

HCC Play Zone Party (ages 5 and under) - 75 minutes of playtime and 1 hour in the party room
Our staff will equip a racquetball court with tumbling mats, balls and some other age appropriate equipment. The playtime is unstructured so the participants can play at their own pace and with the equipment they enjoy.

The play time can be scheduled before or after your time in the party room. Children must be under supervision of an adult while in the racquetball court. Costs the same as swim parties.

Sports Party at the HCC (Ages 6 and up) - 75 minutes of gym time and 1 hour in the party room
The gym can be setup for basketball, floor ball, floor hockey, soccer or dodge ball. You pick the sport you want. Participants can play unstructured games. Staff will supervise the gym but they are not instructors or referees.
Pool party costs plus an additional charge of $25 for the sports parties.

For any of our parties we can decorate for you. Just drop off your decorations the day before your party and we will set up the room for you with your decorations. This must be pre-arranged with the birthday coordinator. There are some limits to the amount and type of decoration we can assist with.
