

APPLICATION REQUEST FOR AN ADDITIONAL CURBSIDE COLLECTION CART

DIRECTIONS: Please email signed application to: <u>publicworks@herndon-va.gov</u> (This application does not automatically save. Please save then attach application to your email).

Eligibility and Terms:

Approval of this application provides for an additional collection cart based on the needs of residents to prevent overflow of materials. If approved, the property owner understands that all material must fit in the container so that the lid closes completely. Materials <u>cannot</u> protrude from the container. Additional carts, up to the maximum amount allowed per the solid waste ordinance, may be provided. The additional carts are not owned or replaced after useful life by the town. This is the sole responsibility of the resident or property owner who purchased the additional carts.

Note, additional cart size is limited to the <u>size originally provided</u> by the Town. Please select the follow options, carts are provided to citizens "at cost":
