Herndon Town Council Adopts FY 2025 Budget

Most tax rates, fees remain unchanged

Herndon, VA (May 15, 2024) – Following months of preparation and two public hearings, the Herndon Town Council has adopted a Fiscal Year (FY) 2025 Budget of \$74,632,184, a 19.9 percent increase from the adopted FY 2024 Budget. The town’s FY 2025 begins July 1, 2024, and extends to June 30, 2025.

“The adopted budget reflects a careful balance between minimizing the tax burden on our residents while funding the programs, services and initiatives they expect and enjoy,” said Mayor Sheila Olem. “We are grateful to the residents, business owners, organization representatives and others who testified, wrote, called, or otherwise let us know what their priorities are in the town’s budget.”

Most town tax rates and fees in the FY 2025 Budget remain unchanged from the current fiscal year. While most property owners will receive higher tax bills in FY 2025 due to rising real estate values, the town’s real estate tax rate remains at \$0.26 per \$100 of assessed value, a rate that was reduced in FY 2024 after holding steady for more than a decade. Increases were adopted for water and sewer rates, attributed to higher supply and treatment costs; an FAQ on the town’s water and sewer rates and services is attached.

Effective July 1, the adopted FY 2025 Budget will be available in interactive detail on the town’s website, at [Herndon-va.gov/Budget](https://herndon-va.gov/Budget). A comprehensive accounting of the budget is presented, including narratives, charts and graphs that are easily navigated and accessible to all. The interactive tool allows taxpayers to enter their personalized tax amounts and see how their taxes are allocated.
