News You Can Use

Juneteenth Town Operations

Town of Herndon government offices and services will be impacted by the Juneteenth holiday observance as follows:

Town Offices

Wednesday, June 19 – Closed

Trash Collection

Trash collected, no schedule change.

Herndon Centennial Golf Course

Open 6am – 8pm

Herndon Community Center

Closed

Your Input Is Needed!

IMPROVING STREETS IN YOUR NEIGHBORHOOD

We've got big plans to make two town roadways easier and safer to navigate:

Park Avenue & Monroe Street Intersection

- What is working to improve safety at this intersection today?
- How can landscaping help traffic safety?
- How effective is existing landscaping?
- Are there additional concerns at this intersection?

[Herndon-va.gov/SafeRoads](https://herndon-va.gov/SafeRoads)

Ferndale Avenue between Park Avenue & Herndon Parkway

- Are lane widths appropriate along this street?
- Does parking meet the needs of the community along this street?
- Where would crosswalks be most helpful?
- Does the town's proposed plan address your safety concerns?

**Please join us for a discussion of the plans
and to provide your input!**

COMMUNITY MEETING
Thursday, June 13th
7 – 8:30pm

Herndon Council Chambers
765 Lynn St

Town Awarded \$400,000 Grant

The Town of Herndon will receive \$400,000 from the United States Department of Transportation (USDOT) to conduct an analysis of town roads, with the intent to invest in priority transportation safety improvements.

The grant funds were awarded to the town as part of USDOT's Safe Streets and Roads for

All (SS4A) program, a federal initiative to enhance roadway safety throughout the nation. The town's grant will be used to analyze the town's existing roadways and then develop a comprehensive Roadway Safety Plan. The funds will also be applied toward two projects: making town sidewalks and crosswalks more accessible for individuals with visual or physical disabilities; and development of targeted safety enhancements for town roadways with the highest crash rates.

"The town's receipt of this grant is a testament to our staff's expertise and ability to successfully compete and prevail in highly competitive grant environments," said Town Manager Bill Ashton. "This award will provide significant financial assistance in achieving the town's roadway safety goals, at minimal direct cost to Herndon taxpayers."

Following finalization of the grant process with USDOT, the town will commence its roadway safety analysis and planning. The project will include public engagement, and will ultimately result in a data-supported, town-wide strategy to enhance safety for motorists, cyclists and pedestrians in the town.

Farmers' Market

Don't miss out! The Herndon Farmers' Market offers fresh, local produce and delicious food every Thursday morning through November. Join us on Lynn Street in front of the caboose 8am- noon. Pick up your usual or find a new favorite from our friendly local vendors. See you there!
