News You Can Use

Fox5 Zip Trip is Coming to Herndon Friday!

Every Friday morning in summer, FOX 5 sends its anchors out into the community for live morning broadcasts - and they're coming to Herndon this Friday, August 9! Yes, it's going to rain, so we're moving indoors. Come on down to the Herndon Municipal Center Lobby, 777 Lynn Street, anytime Friday morning between 7-11am to join in the LIVE broadcast, straight from our downtown. This is a great chance to show FOX 5 viewers from across the region why Herndon is the best place to live and work in Northern Virginia. No preregistration necessary - just come on down!

Hunters Creek Bridge Update

The project to replace the old bridge at Hunters Creek is under way. The construction site was prepped in week one, then in week two the old bridge was removed. Currently, the town's contractor is working to restore the stream bed. The new bridge will be installed this fall; in the meantime, please use alternate routes to minimize safety risks.
