Over 400 *delegates, exhibitors, speakers, and volunteers* from around the state gathered this week at the 71<sup>st</sup> Annual Conference of the Virginia Recreation and Park Society held in Norfolk, Virginia. The conference is a learning exchange and provides an opportunity for recreation and park professionals to discuss areas of common interest.

Highlighting each year's conference is a formal presentation of awards. This state-wide program honors individuals, departments and organizations throughout Virginia who have demonstrated excellence in any of several areas during the previous year. 140 applications were received vying for awards in 16 different categories. Judged by a jury of its peers, **Town of Herndon Parks and Recreation** received an award in the **Best New Environmental Sustainability** category for the **Sugarland Run Stream Restoration Project**.

The mission of the Virginia Recreation and Park Society is to unite all professionals, students, and interested lay persons engaged in the field of recreation, parks, and other leisure services in the Commonwealth of Virginia.
