Recycling Tips from Public Works

Putting non-recyclables into recycling bins disrupts the stream and can result in fines. Please follow these guidelines, also available at Herndon-va.gov/Recycling:

What to put in the recycle bin:

- Plastic Bottles & jugs with lids on
- Cartons
- Metal food and Beverage cans
- Mixed Paper
- Cardboard (remove packing materials.) For large quantities please call ahead to schedule.

Prepare your recyclables:

Make sure they are empty, clean and dry. It is important to do this step!

Leave recyclables loose inside the can.

Do not put plastic bags inside or outside the can.

Got Glass? No curbside pickup for glass. Recycle by bringing your glass to the purple container at 1479 Sterling Road.

Bulky Items too large to fit into a closed bin can be picked up for a special collection (guidelines apply)

When in doubt, throw it out or contact publicworks@herndon-va.gov for guidance.
