PUBLIC WORKS

FIRST RESPONDER

DPW First Responders

National First Responders Day was earlier this week. The town is immensely grateful to the Herndon Police Department, Fairfax County Fire Department and others who preserve our safety. The men and women of the Department of Public Works are ALSO First Responders: in the words of the American Public Works Association, "Public Works is also often silently there - providing vital support to emergency response partners, helping protect essential services, and restoring those services following an emergency." THANK YOU to our DPW crews for all you do!

Halloween Safety

The spookiest night of the year is almost here! Halloween is Thursday, October 31. Ghouls, goblins and witches are encouraged to have fun but also to practice good sense safety precautions. In particular, the Herndon Police Department reminds trick-or-treaters to put electric devices down, keep heads up and walk - don't run - across streets. Make sure to venture out with a trusted adult and to wear costumes that may be seen by passing drivers. Happy Halloween!
